PROFESSIONAL EXPERIENCE

Township of Union Public Schools | Union, NJ

Elementary Math Coach | *September 2025 – Present*

- Lead instructional coaching for K–5 teachers, modeling evidence-based strategies to strengthen mathematics pedagogy across the district.
- Facilitate data-focused Professional Learning Communities (PLCs) to identify learning gaps and adjust instructional delivery.
- Design and distribute district-wide pacing guides, instructional resources, and data analysis tools for administrators and staff.

Title I Coordinator / Academic Interventionist | *September 2022 – Present*

- Oversee the strategic allocation of Title I funding and ensure 100% compliance with state and federal guidelines.
- Design and implement targeted small-group intervention plans, utilizing assessment data to close achievement gaps for at-risk learners.
- Accomplishment: Spearheaded family engagement initiatives that resulted in a 35% increase in parental involvement.

District TouchMath Trainer | *September 2022 – Present*

- Serve as the primary district resource for multisensory math intervention, providing professional development to staff on foundational skill-building.

Innovative Interventions & Sunny Days Inc. | NJ

Early Childhood Interventionist | *2017 – Present*

- Partner with families to deliver specialized early intervention services, supporting cognitive and social development for children with learning challenges.

Paterson Public Schools | Paterson, NJ

Technology Education Teacher / Lead Teacher | *2013 – 2022*

- Mentored grade-level teams and supported leadership in school-wide curriculum implementation and improvement initiatives.
- Accomplishment: Increased classroom technology integration by 100% through the introduction of innovative digital learning tools.
